WORKSHOPS

Mud Mask Workshop:

This will be our first workshop. You will apply a mask with mud to your face. During this workshop we will be receiving a spiritual message to help prepare us to remove our masks for the rest of the weekend

Massages Workshop:

You will be given a 20 minute neck and shoulder massage with a massage therapist. We will be digging into the deep roots of control and releasing that control to the Master Masseur.

Exfoliating Workshop:

In this workshop, you will use natural topical applications for hands and arms. During this workshop you will be engaging in a more than skin deep spiritual discussion.

Moisturizing Workshop:

This workshop is centered around prayer and the anointing oil. You will have time in prayer with your small group as well as individually spending time alone with the King. You will be sure to come away feeling nourished and moisturized in your spirit and soul.
